- Previous conference call minutes
 - **Motion:** R. VanVoorst / C. Curcija motioned to approve the minutes from the February 8, 2010 conference call. Passed by unanimous voice vote.
- Unfinished Business:
 - Review of TIR-2010-01.
Motion: S. Strawn / J. Baker motioned to approve TIR-2010-01. Motion passed by vote of 8-0. T. Culp wanted Staff to note when forwarding this TI to the NFRC participants that this TI was a joint development CPC since it involved ratings.
 - Review of TI-2009-07. This TI was brought back to TIPC for another review to further clarify the language and intent.
Motion: J. Baker / M. Thoman motioned to approve Item 2 in the revised TI-2009-07. Motion passed by vote of 8-0. This revised TI approval had follow up discussion regarding new spacer codes that were coded specifically by listing brand names. It was requested the new spacer code chart is tabled. It was requested J. Baker take this to the Database Committee and work with AMS and IGMA. A copy of M. Thoman's proposed spacer code chart is to be distributed to TIPC by NFRC Staff.
- New Business:
 - C. Curcija asked about the treatment of the CMAST User Manual to be the same as TIPC manages the Simulation Manual. This is to be added as a May agenda item.
 - The rating of daylighting was discussed but no action items were brought forward
 - B. Schultz wanted to discuss multipurpose products rule with regard to various changes in thermally-broken insulator bars. No action items after brief discussion.
 - Next meeting is New Orleans Membership Meeting on April 12th. The next scheduled conference call is Monday, May 12 at 12:00PM ET
- Adjourned at 1:57 PM.
