

Attachments Subcommittee Report to Technical Committee
NFRC 2009 Spring Membership Meeting
Tucson, AZ March 4, 2009

Presented by Mike Cienian to Steve Johnson as acting Committee Chair for Jeff Baker

Update to the Technical Committee:

- Mike Cienian is serving as acting Attachments Subcommittee Chair in place of Fred Higgins. It is expected that the Board will approve Mike as official Subcommittee Chair in the NFRC Board meeting (note – that approval did occur).
- Tom Zaremba has accepted the Task Group Chair role for the Exterior Attachments Task Group, also replacing Fred Higgins.
- The Committee was reminded of the new 6 points of direction provided to the Attachments Committee and Task Groups by the NFRC Board.
- The new scope statement for the Attachments Subcommittee was proposed and approved. It reads: *“The Attachments Subcommittee will coordinate the development of NFRC Processes and Procedures for Attachment Products per the NFRC Board Direction-Attachments communication of 2/24/09.”*
- The following Task Groups gave updates:
 - **DASD** – data is now available, and the TG is working with staff to include in the database
 - **Film** – the Film TG will work with the Subcommittee as new processes and procedures are developed to determine their fit with existing NFRC Film Attachment materials and practices, including base case windows and labels.
 - **Storm Windows** - no update
 - **Awnings** – This is a new and active Task Group, with an approved scope and Research program.
 - **NFRC 100 for Attachments** – Ballot was returned to the TG for updating and re-submission in the summer membership meeting based on new Attachments guidelines.
 - **NFRC 200 for Attachments** – Ballot was returned to the TG for updating and re-submission in the summer membership meeting based on new Attachments guidelines.
- Two new task Groups were formed during the membership meeting:
 - PCP Attachments Language – will be chaired by Mike Cienian and Tom Morrissey and will report to the Ratings Subcommittee (Steve Strawn and Joe Jonely)
 - Labeling for Attachments - will be chaired by Mike Cienian and Tom Morrissey and will report to the Labeling Subcommittee (John McFee).

End of Report
