

Memorandum

Date: November 23, 2009
TO: NFRC Laboratories, and NFRC Inspection Agencies
FROM: Scott R. Hanlon
NFRC Senior Programs Manager
SUBJECT: NFRC CPD 2.0 Updates

Hi Everyone:

The following updates have been deployed to the CPD 2.0.

IA users:

- “Last updated by” field
 - This field is updated whenever a user modifies contact information relating to the specific manufacturer.
- Updating Product Statuses on the Product Line Summary Page
 - The tool to modify / update product line statuses will perform properly.
- Product Line Grouping
 - IA’s are capable of modifying the “grouping of product lines” via editing the header on the Product Line Detail page.
- Product Line Comment Characters
 - This is now a text field which accepts more characters.

IA and manufacturer users:

- Schedule I and Schedule II Reports
 - The manufacturer data details are accurate
 - Schedule I prints only Active plants

All users:

- “Search Product Directory” is displayed as a button instead of a text box.

If you have any questions, please feel free to contact [Sherri Wendt](#) or me at your convenience.

Respectfully Submitted
