

**CMA Frame Grouping Tables Ballot** [\(click here to access the original proposed ballot\)](#)

**NFRC Ballot Comments through November 2, 2009**  
**Technical Committee – CMA Technical Subcommittee**

**Legend:**

*AC :Approve with Comment*

*NEG: Negative response with Comments*

Company Name, Rep Initials	AC/ NEG	Section and/or Page #	Comment/Alternate Language
Architectural Testing, MT	NEG	In General	These tables were designed based on the results of frame grouping research. What basis is there for rearranging the priority?
