

MINUTES

Solar Heat Gain Subcommittee

Tuesday, March 15, 2005

Under Technical Block: 7:30 am –1:30pm

Chair: James Larsen, Cardinal Glass Industries

1. James Larsen called the meeting to order @ 9.35 am.
 2. Ray McGowan appointed recording secretary (staff).
 3. Minutes from October 12, 2004 Portland meeting approved by general consent.
 4. No items added to the agenda.
 5. Unfinished business:
 - a. Several members discussed attachment solar heat gain test method and items that need to be addressed by attachment industry for clarity.
 - b. Attachment language has been written, but being held up in the TG for further development.
 - c. Attachment SHG Test Method TG will work on language and present it at summer 2005 membership meeting.
 6. New Business
 - a. Dynamic glazing provisions will be presented immediately for consideration with a summer 2005 Membership meeting ballot target.
 - b. NFRC 200 simplification discussion:
 - i. For dynamic glazing, switching instructions are necessary
 - ii. Alternate document creation recommended for differing products such as attachments rather than NFRC 200 inclusion.
 - iii. Jim Larsen will chair a NFRC 200 simplification TG that will report at summer 2005 Membership meeting (Ken Nittler, Rich Biscoe, Marcia Falke, Chuck Hayes, and Dave Duly).
 7. Meeting adjourned @ 10.08 am.
