

Conference call
September, 2006

Notes

Tubular Daylighting Devices Project Monitoring Task Group Conference Call

11 am Wednesday, September 20, 2006

Chair: *Dave De Block, ODL, Inc.*

1. Participants were Christian Kohler, Ross McCluney, Ray McGowan (staff), Mike Thoman, Dave De Block, Marcia Falke, John Lawton, Roger LeBrun, John Eliese, Jim Feudner, Brad Shultz.
2. Mike Thoman advised the TG that draft test procedures may be ready by October 20. The procedures will **not** be ready for ballot at the Fall 2006 membership meeting.
3. Christian Kohler reported that LBNL is seeking funding to develop TDD VT rating methods for TDDs. LBNL is talking with CA utilities and the California Energy Commission for potential funding.
4. The peer reviewable paper also will not be ready by the Fall 2006 membership meeting so the final payment will not be possible
5. Meeting adjourned @ 11.34 pm.
