

Minutes

Condensation Resistance Subcommittee

Wednesday, March 8, 2006

Under Technical Block: 8:00 am –3:00pm

Chair: *Jeff Franson- Mikron*

1. **The chair (Jeff Franson) called the meeting to order.**
2. **Ray McGowan appointed recording secretary (Staff).**
3. **December 1, 2005 Santa Fe meeting Minutes approved.**
4. **Agenda reviewed and approved**
5. **Reports**
 - a. Jeff Franson reported that the CR values in NFRC database RFP was tabled at the Research SC for further revision.
 - b. Jeff Franson reported the *Condensation Resistance pamphlet/brochure working group* is finished revising the document and created a consumer version. A longer version will be developed for specifiers. Staff is reviewing the final product for posting to the web. Several members offered comments for further development to each document.
 - c. Tom Culp reported the *NRFC 500 Revision Task group* is considering existing CR ratings from AAMA and Canada and perhaps harmonize with them. NFRC 500 may be completely rewritten based on the task group findings. Members discussed the merit of pursuing NFRC 500 since other ratings are prevalent in the marketplace.
6. **Meeting adjourned @ 10.30 am.**
