NFRC Announces Election Results for 2011 Board of Directors

GREENBELT, Md. (November 3, 2010) – The National Fenestration Rating Council (NFRC) is pleased to announce the results of its Board of Directors election for the 2011 term. The following members have been elected to a three-year term:

Steve Farrar, *Guardian Industries, Corp.*
Fenestration Industry Category (Specified). This seat is specifically for a primary glass manufacturer.

Joe Hayden, *Pella Corp.*
Fenestration Industry Category (Unspecified)

Christian Kohler, *Lawrence Berkeley National Laboratory*
General Interest Category (Specified). This seat is specifically for a not-for-profit institution of research or higher education.

Ross McCluney, *SunPine*
General Interest Category (Unspecified)

“I’m confident the collective insight these Directors provide will spur many creative, new initiatives that will continue to advance our organization,” said NFRC’s Chief Executive Officer (CEO), Jim Benney. “All of us at NFRC and those we serve will benefit from their expertise.”

###

About NFRC

NFRC is a non-profit organization that administers a voluntary, uniform rating, labeling and certification system that can be used to compare the energy performance of windows, doors, curtain walls, skylights, and other fenestration products. Its members include manufacturers, suppliers, utilities, consumer groups, representatives from the building and code industries, scientific and educational organizations, and government agencies.
